On the surface it would seem that law and order in the RYDE Electorate is under control, however why was the **Ryde Police Station** closed many years ago?

The Weekly Times Newspaper under the guardianship of Mr. John Booth has for many years with the West Ryde Chamber of Commerce highlighted the scourge of graffiti in our local community.

Many people may not be concerned about graffiti, however to others this is simply the thin end of the wedge.

The residents of the Ryde Electorate would feel safer in the knowledge that their community was being protected if Ryde Police Station was to be re-opened.

If Ryde Police Station were to be re-opened, this would allow for beat policing of our streets to increase. Also Gladesville Local Area Command could be able to better manage its workload and also have increased beat policing in other areas.

Ryde Police Station should re-open. Our Electorate requires strong, Independent leadership that is not currently being provided. Our electorate in the State Parliament needs a voice that is able to work with officials at all levels of Government.

After 13 years of Labor rule, the electors of Ryde deserve a better delivery of service and now it is TIME FOR A CHANGE.
